CFB - OX WORLDWIDE:

CFB - Ox Worldwide was founded in 1992 with the mission to provide professional solutions for the transport and lifting of loads in a safe and controlled way for the industry, navy, rail, wind energy, oil&gas, offshore, automotive, aeronautics and small industries.
We work anywhere in the world.

At CFB - Ox Worldwide, the engineering, the raw material and the advice are the bases of our quality.

ISO & DNV CERTIFICATES

We have managed to manufacture and distribute machinery that meets the highest standards. For this is requirements is madatory to pass all the quality controls, that's why we have the next certifications:

- ISO 9001:2015
- UNE EN ISO 3834-2:2006 (welding)
- DNV GL-ST-0378 (spreaders)
- DNV GL-ST-0377 (spreaders)

CFB - Ox Worldwide is guaranteed by regular certified inspections, certified and approved by Lloyd Register Quality Assurance.

"Our priority is to provide effective, profitable and safe solutions, to ensure long-term business relationships, through customer satisfaction"

Emilio Blasco, founder

CFB - OX WORLDWIDE

CFB - Ox Worldwide fue creada en 1992 con la misión de proporcionar soluciones profesionales para el transporte y elevación de cargas de manera segura y controlada en cualquier sector industrial, naval, ferroviario, eólico, oil&gas, offshore, automoción, aeronáutico y pequeñas industrias.
Trabajamos en cualquier lugar del mundo.

En CFB - Ox Worldwide, la ingeniería, la materia prima y el asesoramiento son la base de nuestra calidad.

CERTIFICADO ISO & DNV

Hemos conseguido fabricar y distribuir maquinaria que cumplen los más altos estándares. Para ello es requisito indispensable pasar todos los controles de calidad, por eso disponemos de las siguientes certificaciones:

- ISO 9001:2015
- UNE EN ISO 3834-2:2006 (soldadura)
- DNV GL-ST-0378 (Separadores)
- DNV GL-ST-0377 (Separadores)

CFB - Ox Worldwide está garantizada por inspecciones regulares certificados de aprobación por parte de Lloyd Register Quality Assurance.
