## Bañadores de pared de superficie Surface mounted wall washer

# MI AS

### Carcasa

Chapa de acero pintada en blanco calidad poliéster.

### Reflector

Reflector asimétrico de aluminio brillo de alta reflectancia para lámpara fluorescente lineal y compacta, y de reducidas dimensiones para lámpara T5. El diseño del reflector proporciona una elevada uniformidad en la iluminación de superficies verticales y adecuado control de deslumbramiento.

### Aplicación

Iluminación perimetral de paredes, pizarras o estanterías en tiendas, espacios comerciales, colegios y salas de exposiciones.

### Housing

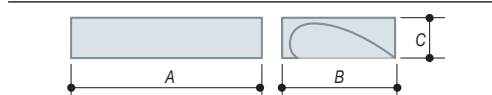

Polyester painted white steel.

### Reflector

Asymmetrical reflector made in high reflectance gloss aluminium for a linear or compact fluorescent lamp. Also available in a smaller version for a T5 lamp. The shape of the reflector gives high uniformity and glare control when illuminating vertical surfaces.

### Application

Lighting of walls, blackboards, display units and shelves. Especially recommended for shops, schools and exhibition centres.

### LINEALES T5
