# REFLECTORES REFLECTORS SOL RB

Reflectores para la regleta fabricados en chapa de acero pintada en blanco calidad poliéster. Se sujetan a la regleta con las tuercas de sujeción de la regleta al anclaje. Versiones para 1 y 2 lámparas, y versiones asimétricas.

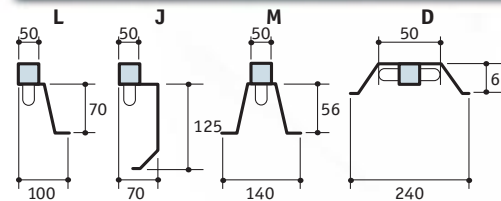

#### Aplicación

Adecuados para las aplicaciones de la regleta en las que se requiera una iluminación más localizada o dirigida. Versiones J y L para iluminación de pizarras, posters, paneles y cornisas.

Reflectors for battens manufactured in white polyester painted steel. They can be fixed to the batten with the same screws used for the support bracket. Available for 1 and 2 lamps and in asymmetrical versions.

#### Application

To achieve a more localized or directed lighting from the batten. The J and L versions are suitable for blackboards, posters, showcases and cornice lighting.
