Todos los tiradores se suministran con tornillos metálicos M-4 para su montaje en el mueble.

Todos los componentes metálicos están fabricados en aleación de zinc y tienen rosca M-4 para su instalación.

Los tiradores de madera incorporan tuercas de latón M-4 embutidas para su anclaje duradero al mueble.

Todos los componentes de madera proceden de fuentes controladas y sostenibles con certificación FSC.

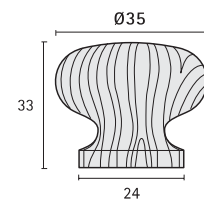

All fittings are supplied with M-4 metal screws for an easy installation on furniture.

All metal components are die-casted in zinc alloy and have M-4 threads for screwing.

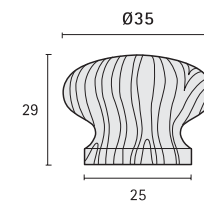

All wooden knobs & handles have inserted M-4 brass nuts for a long lasting and resistant connection to furniture.

All wooden components come from controlled and sustainable forest sources with FSC certification.
