

The advertisement features a collage of images showcasing glass mosaic tiles. At the top left, a shower stall is shown with white walls and a floor of blue and white mosaic tiles. To the right, two square mosaic tiles are shown: one red and one black. The central text 'reviglass' is in a bold, black, sans-serif font with a white outline and a red underline. Below it, 'Glass Mosaics' is written in a cursive, silver font. The bottom half of the image shows a bar area with a white countertop and a wall of blue and white mosaic tiles. Three black bar stools are positioned in front of the bar. On the left, a large green mosaic tile pattern is visible. At the bottom left, two more square mosaic tiles are shown: one light blue and one pink.
