

DQ stone[®]

Diseño de **vanguardia** y tradición se unen para la **creación** de una gama de productos esculpidos **a mano** por especializados **artesanos** mediante métodos artesanales utilizados durante siglos.

Piezas **Únicas** e irrepetibles elaboradas con materiales **naturales** de primera **calidad** que marcan la diferencia y otorgan **prestigio** a nuestra firma.

DQstone abre un universo de posibilidades decorativas e **innovadoras** que reflejan lujo con una **simplicidad** esencial.

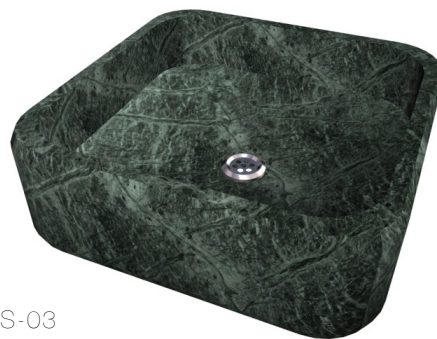

Traditional vanguard design have joined together in order to create a range of products. Hand carved by craftsmen using the traditional methods handed down over the centuries. Unique pieces and unrepeteable have been elaborated with first quality natural materials which mark the difference and highlight the prestige of our firm.

DQstone opens a decorative and innovate universe of possibilities that reflect luxury with an essential simplicity.
